Spreckels Memorial Park Restroom ADA Project  
Revisions 2/11/2021 District Communication  
Re: Dates for Commencement and Completion

To: All Bidding Contractors

The revised Spreckels Memorial Park Restroom ADA Project Bid Form reflects a new Project Completion time frame. A new project completion date of August 31, 2021 has been added. If project is not completed by July 1, 2021, the project site shall be secured by 5:00 pm on that date and work shall not resume until 7:00 am on July 6, 2021. This is to accommodate the Spreckels 4<sup>th</sup> of July Celebration which occurs in Spreckels Memorial Park. This event is still tentative depending on the state of COVID-19 restrictions that may still be in place.

Bidders wishing to access the restroom building in the park prior to the March 9, 2021 Bid Opening may do so by contacting Spreckels Memorial District Facilities Manager Joe Velasquez on his mobile at [831] 756-2269.

Sincerely,

  
Paul J. Ingram, General Manager
