Hello Roxanne,

It looks like these may have been sent out before the addendum set was available.
You may find the answers to these on the addendum plans dated 2/9/2021.

PB-005 – Sheet A2.2

PB-006 – Fire Department did not require fire sprinklers

PB-009 – All new walkways around building sheet A2.1

PB-010 – Standard attic access, but owner will provide a lockset for this.

PB-011 – Finish schedule on sheet A4.1.

Please let me know if this helps.

Thank You,

Derek Johnson, P.E.
